JQR Calc Projects

Cyber Solutions Development - Tactical

October 14, 2021

Abstract

This series of projects is designed to prepare CCD Trainees to take their BSLE. In this process, it should also be used to demonstrate many of the JQR requirements.

1 Repo Orientation and Overall Instructions

2 Expectations of Candidates

3 Expectations of Mentors

4 Rough Timeline Estimations

5 How to Use the Tools in this Repo

5.1 CMake

5.2 CICD

5.3 Testers
